

Southdale
Extra-curricular
Sports Clubs
2026-2027

**We are your Southdale Sport Leaders
and we are excited to offer a range of
morning, lunchtime and after-school
sports clubs at Southdale Primary
next session!**

This year, our extra-curricular sport clubs include ball skills, gymnastics, athletics, dance, cheerleading, football, basketball and netball. Some clubs run for the whole year and others change each term.

**Our sports clubs are fun and help you
to stay active, learn new skills and
make friends. They are a great way to
build confidence, work as a team and
try exciting new activities.**

Our dance, football, netball and basketball clubs also give you the opportunity to take part in cluster and school competitions. These are a great way to achieve awards!
