

Southdale Primary School Improvement Plan 2026/27

We will make our school a place where everyone feels valued, included and ready to learn. We will provide engaging learning experiences, celebrate achievements and support every child to reach their full potential.

We will help every child to grow their reading, writing and maths skills through fun, engaging and challenging learning.

We will listen to children's voices, offer opportunities to lead and help everyone become confident, successful learners.

We will talk with children about their learning and help them understand what they are doing well and what they need to do next. We will encourage everyone to share their achievements and be proud of their progress.
